MEMORANDUM FOR: Deputy Director for Science & Technology

FROM: Director of Central Intelligence

SUBJECT: [redacted]

25X1

As we look ahead to the budget decisions over the next few months,  
I'd like to get your review of comparative quality and quantity of

25X1

[redacted] from different technical systems, both land-based  
and space-based. All of it is important; we need to put it into  
perspective. What and how much comes from satellites; what and how  
much comes from different types of land sites we have and the different  
locations we have?
